IX. Appendix I – District Realignment Proposal18

Members of the District 123 Council,

It is my pleasure to share with you the proposed realignment for District 123 for the year 2025- 2026, included in this District 123 Realignment Report.

This report presents the proposed realignment for District 123 for the 2025–2026 Toastmasters year.

The realignment has been developed to improve service delivery, strengthen leadership capacity, and ensure that divisions and areas are balanced and sustainable.

Key changes include the dissolution of Division M and redistribution of its clubs across the district, along with adjustments to divisions and areas to improve operational efficiency, leadership coverage, and member engagement.

This proposed alignment positions District 123 to better support its members, enhance club quality, and respond effectively to evolving membership trends

The following are some of the highlights of these changes:

Divisions M to be Dissolved, the clubs from division M will be realigned across the district in a manner that will keep members engage and Division and Area Directors to serve clubs in the most effective manner.

One Club have been transfer from Division A to Division N.

Two clubs Transfer from Division B to Division N

Two clubs Transfer from Division C to Division N

Division A Have move from 5 area to 6 areas.

Division C have move from 5 areas to 4 areas

I. Introduction

Further to the requirements of Toastmasters International, each district must review and amend, if necessary, its alignment of the clubs, areas, and divisions once each year. The 2025-2026

realignment for District 123 is subject to the approval of the District Executive Council at its annual business meeting on May 2, 2026. In accordance with this requirement, District 123 Director Michael Proudlock DTM delegated responsibility for developing recommendations on district realignment for 2025-2026 to a District 123 Realignment Committee composed of the following:

- Donald Coore (Chair)
- Dr. Michael Zitney, DTM, representing Division A
- O. Stephen Peart, representing Division B
- Jitesh Parikh, representing Division C
- Scott Gibson, representing Division E
- Bentley Haughton, representing Division M
- Julie Visentin, DTM, representing Division N

Realignment Donald Coore Meet with the group in October and began individual meetings with Committee members in January, 2026. All Committee members participated in reviews of their own and other divisions. Committee members were encouraged to solicit input from their division clubs and members. I would also like to express gratitude to other past district leaders particularly immediate Past District Director Heather Drakes-Blackmore

The District Executive Committee (DEC) was briefed on Realignment Committee progress at the DEC meeting of Saturday, January 21, 2026. A Draft Proposal will be presented to the District Trio (District Director Michael Proudlock DTM; Program Quality Director Madhukar, Club Growth Director Eva Britton DTM) April 15 2026.

The draft realignment proposal may be reviewed by District 123 before the DEC on May 2 2026, following which the final District 123 Realignment Report will be submitted for consideration by the District Executive Council at the District 123 Annual Business Meeting on Saturday, May 2, 2026.

Overview

Division N is the largest and most geographically expansive division within The District, covering a broad region that includes Barrie, Collingwood, North Bay, Timmins, and extending into northern Ontario communities. This division spans a diverse landscape of urban centres, small towns, and remote regions, creating a unique and resilient Toastmasters environment.

Structure

Division N is composed of 4 Areas N12, N13, N14 and N15 with 22 clubs. Due to its wide geographic spread, the division relies heavily on hybrid and online club formats to maintain connectivity and engagement across long distances.

Membership & Demographics

Division N draws from a widely dispersed population base across central and northern Ontario. Members include professionals, educators, public sector employees, and community leaders. The division reflects a strong sense of local identity, with members often deeply connected to their communities.

Strengths

- **Geographic Reach:** Broad coverage across central and northern Ontario
 - **Resilient Club Culture:** Strong commitment despite distance and travel challenges
 - **Adaptability:** Effective use of hybrid and online formats
 - **Leadership Opportunities:** High visibility and impact for emerging leaders
-

Opportunities

- **Distance Challenges:** Supporting collaboration across widely separated clubs
 - **Membership Growth:** Expanding into underserved and remote communities
 - **Resource Accessibility:** Enhancing access to training and district support
 - **Retention:** Maintaining engagement in smaller or remote clubs
-

Conclusion

Division N is a uniquely positioned division within District 123, defined by its size, diversity, and resilience. Its ability to connect communities across vast distances highlights the strength of the Toastmasters program and its impact in both urban and remote settings.

Recommendation

It is recommended that the District Executive Council approve the proposed District 123 realignment for the 2025–2026 term. This structure improves operational efficiency, ensures equitable distribution of clubs, and strengthens leadership capacity across the district. Approval of this plan will position District 123 for sustainable growth, improved member experience, and continued leadership development in alignment with the Toastmasters program and its impact in both urban and remote settings.
